

Dear APOA Members,

The Congress committee was created with the Constitutional amendments passed in 2020. It is a standing committee of the APOA, and a very important one, as we have now committed to run an annual Congress from the year 2024. Prior to this date the Congresses were run biennially under the aegis of individual chapters and Federations.

The committee has an elected Chair and comprises Congress Presidents of the two previous Congresses and the forthcoming Congresses. The committee is responsible for assessing the applications, planning, and implementation of the Annual Congress. The Presidential line, Secretary General and Treasurer shall be ex-officio members of the committee. The Congress Chair is a member of the Executive.

The Congress committee has a huge amount of work to do to make the Congresses after 2024 seamless and successful.

Please work with and support us!
